## Total Makeover

**Client:** Serco

**Project:** 465 fleet refurbishment for HSBC

Halo Rail is currently managing the re-livery of 97 4-car units at the rate of one per week at the Gatwick Express Stewarts Lane Depot in Battersea. This is the largest full refurbishment project to be conducted at depot level. With body side repairs, surface preparation and re-livery, each train is out of service for a maximum of 5 days.
